PAMM will become home to new-age eclectic performances with a progressive focus on Indie Rock, Electronica, and R&B. From PAMM's stunning waterfront terrace, CURRENTS kicks off on **Thursday, March 21** with Los Angeles-based, indie psychedelic band, [Inner Wave](#)—hailed by VICE as making "surreal", "moody psychedelia to ease your broken heart."

Inside the museum, Miami Motel Stories will give a flash theater experience drawn from Miami's past, present, and future. Presented by Juggerknot Theatre, written by Juan C. Sanchez, and directed by Tai Thompson, The Miami Motel Stories' flash experience will depict dramatic and comedic tales driven by native characters that grab inspiration from an ever-changing cultural landscape.
